To Whom It May Concern:

I would like to take this opportunity to express our Bank's support of the Heartland Parkway Project.

In my opinion, having a parkway connecting the Bluegrass Parkway with the Cumberland Parkway would certainly encourage economic development in this area. Industries would be more likely to consider Campbellsville and Columbia for locating manufacturing plants where raw materials and finished goods can be transported more efficiently.

We have offices in both Taylor and Adair Counties which would benefit greatly from the Project.

Your support is very much appreciated.

Respectfully Submitted,
